Objectives

As a result of this training, participants will be able to:

• Define elder and dependent adult abuse
• Define the responsibilities of mandated reporters
• Understanding of the process of filing a report, from start to finish
Definition of an Elder

“…any person residing in this state, 65 years of age or older.”

WIC 15610.27
Definition of a Dependent Adult

(a) “...any person between the ages of 18 and 64 years... who has physical or mental limitations..., persons who have physical or developmental disabilities, or whose physical or mental abilities have diminished because of age.”

(b) “...any person between the ages of 18 and 64 who is admitted as an inpatient to a 24-hour health facility...”

WIC 15610.23
Indications of a Dependent Adult

- Activities of Daily Living
  - Bathing
  - Grooming
  - Meal Preparation
  - Shopping
- Instruments of Daily Living
  - Can they drive?
  - Can they pay bills?
- A physically disabled adult is not always a dependent adult

To make a report, please call 1-877-839-4347.
Infliction of physical pain or mental suffering on an elder or dependent adult; theft or embezzlement by caretaker is punishable by imprisonment in the county jail not exceeding one year, or in state prison for two, three or four years.

Section 368
The Facts of Abuse

• CA’s elderly population will nearly double in the next 20 years, from 3.7 to 6.4 million
• More than 2 million elders are abused each year
• In CA and nationwide, only one in 14 elder abuse incidents are reported
• Most victims are women aged 75 years and older
• Victims usually live with or depend on their abuser for care
• Substance abuse is the most cited risk factor with both victims and perpetrators
