## Economic Opportunity Council Mission

The mission of the Economic Opportunity Council, the Community Action Agency of Contra Costa County is to arm the community with hope, knowledge, resources and voice. Through our advocacy, inclusion, and influence we promote pathways out of poverty to unbar the doors to full participation and self- sufficiency.

## Community Services Block Grant (CSBG)

The Economic Opportunity Council along with the support of CSB staff, work together to see that these CSBG funds are allocated to subcontractors in the community. The federal dollars will be funded to subcontractors who serve the needs of the community under one or more of the following priority areas: Food-Nutrition, Job Placement-Training, Housing-Shelter and Comprehensive Services.
