

# Unconditional Support for Caregivers Training Series

## **PARENTING CHILDREN WHO HAVE EXPERIENCED TRAUMA AND LOSS**

A specialized series of classes designed for parents, kinship caregivers and guardians who are currently parenting children who have experienced trauma and loss as a part of their history. Each course provides tools, techniques and information with the goal of empowering participants to effectively parent their child as they move towards healing and permanency (lifelong connections) within the relational context and beyond.

To Register, please click on the title to be directed to Seneca Family of Agencies registration page. Please note, these trainings are FREE to you!

## **PLEASE SEE BELOW FOR UPCOMING JUNE TRAININGS!**

### **Personal Coaches Available!**

Individualized and expert advice with your own personal coach is available to help caregivers parenting children from Contra Costa County, For more information about the series or personal coaches, please contact Rachael Sander at [rachael\\_sander@senecacenter.org](mailto:rachael_sander@senecacenter.org) or (510) 914-1830
