Subject: Video Shows EHSD Preparing Its Offices per Health Guidance

As EHSD continues responding to the COVID-19 pandemic and supporting our County residents, our highest priority is the health and safety of our staff and customers.

Please view this [EHSD video](#) to see EW Supervisor Aaron Perez show many of the new compliance measures based on health guidance that we are following at all our locations across the county. Thank you to the staff members at 151 Linus Pauling in Hercules for exemplifying the precautions and physical distancing intended to help everyone stay healthy and safe in our workplaces.

As we bring back more staff and settle into our “new normal” at EHSD offices, we will continue getting our public spaces ready. We will let you know when we have a specific timeframe for welcoming back our customers to our physical locations.
