Subject: CC Health Services announces free flu vaccine clinics

---

Contra Costa Health Services is conducting several flu vaccine clinics this year throughout the County. Attached is a flier in English and Spanish with all dates and locations. We will also post these fliers on the EHSD website.

CCHS encourages all to get the flu vaccine this year. "...it is more important than ever to help relieve pressure on our healthcare systems and keep our communities safe from preventing a 'twindemic'," notes Ruth Tsurumoto Adams, MPH, Senior Emergency Planning Coordinator.

For more information on this year's flu season, visit <https://cchealth.org/flu/vaccination.php>.

## Getting vaccinated is more important than ever this flu season.

Vaccination will help keep hospitals from being overwhelmed by flu patients while they also care for those with COVID-19.

- No appointment needed
- Vaccinations available to everyone age 6 months and older
- All are welcome, regardless of insurance or immigration status
- No ID required
- No social security number needed
- Flu shots are not included in a public charge assessment
- Please wear face coverings
