

CalWORKs Home Visiting Program

HELPING TO BUILD STRONGER FAMILIES

If you receive California Work Opportunity and Responsibility to Kids (CalWORKs) and are pregnant or have a child 0 to 2 years of age, you may qualify for no-cost services through the CalWORKs Home Visiting Program (HVP).

HVP is a FREE in-home program matching families with trained professionals who make personal home visits during important early years of your child's life.

HVP can support your family by:

- Helping your kids be ready to succeed in school
- Connecting you with support, resources and job opportunities
- Decreasing stress in your life

Additionally, as an HVP participant, you may be eligible for resources and services to support you in meeting your family goals.

For more information, contact your worker.
