Subject: Happy National Voter Registration Day 2020!

Today is National Voter Registration Day, a nonpartisan civic holiday that was first observed in 2012. It has quickly gained momentum, and nearly three million voters have registered to vote on the holiday to date. You can learn more at <https://nationalvoterregistrationday.org/>.

Election Day is on Tuesday, November 3rd. Please continue to encourage EHSD customers, family members, friends and neighbors to register early. You can visit www.cocovote.us to check your registration information, request a ballot, find a list of drop box locations, find your polling place and learn more about voting. If you vote in another county, visit <https://www.sos.ca.gov/elections>.

Remember, when anyone 18 years or older applies for EHSD programs and services, the [National Voter Registration Act](#) requires we offer them the opportunity to register. The customer's decision to register is confidential, and does not affect eligibility or benefits.

All voters can sign up for **free notifications** about the status of their ballot at <https://california.ballottrax.net/voter/>.

Happy National Voter Registration Day!
