

How much do you really know about what goes on during an election? Most citizens do not actually know how an election works, and in Contra Costa County, it is not a secret.

The Contra Costa County Clerk-Recorder Debi Cooper and the Elections Division invite you to visit their YouTube channel: <https://www.youtube.com/channel/UCd73Zub00VOyJVcoOdBcubg/videos>

You may be wondering thing like:

- What Happens to My Ballot After I Vote
- What Happens on Election Day
- Your Vote Counts
- Health and Safety
- Voting Options

The Elections' team worked with a professional crew to create several videos explaining the issues listed above. Each of these videos are available in English and Spanish, and we have added Chinese subtitles to the English versions.

If you have not voted yet, there is still time!

- Vote the ballot we mailed you and return it in the US Mail, no postage necessary (ballots must be postmarked by 8:00 pm on Election Day);
- Vote the ballot we mailed to you and drop it off at one of our 37 Secure Ballot Drop Off locations (click [here](#) for a list of locations);
- If you need in-person services, our Regional Early Voting Sites are open Friday October 30th, Saturday October 31st and Monday November 2nd (click [here](#) for a list of locations and hours);
- Polling Places will be open on Election Day from 7:00 am – 8:00 pm on Tuesday November 3rd.

Make a plan and make it happen by 8:00 pm on Tuesday November 3rd!

Thank you for all you do for the citizens of Contra Costa County.
