Subject: Wrapping Up Census 2020

As you know, the Census count ended yesterday, October 15th. Initial reports are that Contra Costa County had one of the highest self-response rates in the state! Thank you all for doing your part to get the word out to customers, family, friends and all community members.

If you added the Census 2020 email signature with links, please REMOVE them. The link to the Census survey is no longer active on the County website.

Thank you again for all you do to support our community members.
