Community Health Charities

---

It's my pleasure to announce that the Contra Costa County Combined Charities Campaign is now underway! Over the last 10 years, generous County employees have collectively donated over \$1.6 million to nonprofits in our community and globally. This year, the campaign is scheduled to run **October 7th through November 2nd**. The goal is to raise \$100,000 and now, more than ever, we require your help to make it possible!

This is an unprecedented year and we have experienced many challenges. We understand that you may be experiencing hardship, but if you are in a place to contribute, this is a great way to support your community. Now, more than ever, the nonprofits need our support! Many are facing large budget decreases, staff layoffs and even closures. The reliable, ongoing revenue stream that this campaign provides has become vital to nonprofits.

The choice is yours. Let your light shine, donate today!

### **Payment options**

**By check or money order**– Please make payable to the **Federation** under which the Charity belongs.

*(Print the fillable donation form, attach your check and submit both to Jessica Butterfield at 30 Douglas Drive Martinez CA 94553).*

**By payroll deduction**– The easiest method of all. Select the charity/charities you wish to support and tell us how much you'd like to give each pay period beginning in January 2021. Your donations will automatically be deducted.

*(Attached is the fillable donation form and booklet. Staff may also access the online portal through the County Intranet: <http://insidecontracosta.org/> or through the QR code on the attached flier).*

On behalf of the many worthy non-profits in the campaign, I'd like to thank you in advance for your generosity. By working together, we CAN make a difference!

## FAQ

**WHY GIVE THROUGH YOUR CAMPAIGN?** This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income throughout the year.

**WHY DONATE THROUGH A FEDERATION?** Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

**WHY ARE THERE ADMINISTRATIVE FEES?** Federations, like all nonprofits, in order to function must cover basic operating expenses, which are kept to a minimum, so the majority of donations to go to their charities programs. Federations are regulated and must register with the State Attorney General, file annual IRS Form 990, and receive annual independent audit. Federations and their member charities are approved by your employer for inclusion in your workplace giving campaign.

**WHY GIVE THROUGH PAYROLL DEDUCTION?** Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

# America's Best Local Charities

*America's Best Local Charities was organized over 23 years ago to help local charities participate in workplace giving campaigns. ABLC represents local charities finding solutions to our community's problems and answering the needs of our diversified area. ABLC's non-profit member organizations do it all: protect children and strengthen families; feed the hungry; enable the poor, homeless, and disabled gain independence and security; find relief for the elderly and the ill; assist our veterans, law enforcement officers and their families; research and cure disease; protect and defend animals; and service, educate, and empower citizens in need within your local community.*

## **Betty and Oliver's Story: Service Animal**

Pet Partners, Community Health Charities

Oliver was placed in an animal shelter. He was sick, and showed signs of past abuse. He had few adoption prospects, but as a fierce advocate for rescue dogs, Betty, decided to give him a chance. Betty noticed Oliver's sweet disposition and decided he would be a great addition to her growing therapy dog team. Betty and Oliver began training, quickly passed their evaluation, and soon after became a Pet Partners registered therapy animal team. Oliver now visits nursing homes, assisted living facilities, hospitals, and domestic violence shelters. Oliver shows unconditional love to others even with his painful history.
