TO: **Contra Costa County All Staff**

FROM: **Marc Shorr, Chief Information Officer**
             Jennifer S. Hopkins, Assistant Chief Information Officer

DATE: **January 28, 2021**

SUBJECT: **Recently Disclosed Vulnerabilities in Certain Apple & Mozilla Products**

The Department of Information Technology (DoIT) is performing work to address recently disclosed vulnerabilities in certain Apple and Mozilla products. Most users will not be impacted by our work; however, some users with older devices may be contacted by our staff with further instructions in the coming days.

For all users who utilize Apple products or Mozilla software, please ensure that your software is updated to the most recent versions. Instructions for this process can be found at:

https://support.apple.com/en-us/HT201222
https://support.mozilla.org/en-US/kb/update-firefox-latest-release
https://support.mozilla.org/en-US/kb/updating-thunderbird

SYSTEMS AFFECTED:
- iOS versions prior to iOS 14.4
- iPadOS versions prior to iPadOS 14.4
- tvOS versions prior to tvOS 14.4
- watchOS versions prior to watchOS 7.3
- Xcode versions prior to Xcode 12.4
- Mozilla Firefox versions prior to 85
- Mozilla Firefox ESR versions prior to 78.7
- Mozilla Thunderbird versions prior to 78.7

If you would like assistance with this verification, please contact our help desk at doit_helpdesk@doit.cccounty.us.

We apologize for any inconvenience this may cause, and we thank you for your understanding. For any additional questions, please reach out to your DoIT support staff.

Thank you for your cooperation.
