

CONTRA COSTA COUNTY
DEPARTMENT OF INFORMATION TECHNOLOGY

MARC L. SHORR
CHIEF INFORMATION OFFICER

JENNIFER S. HOPKINS
ASSISTANT CHIEF INFORMATION OFFICER

30 Douglas Drive
Martinez, CA 94553

TO: Contra Costa County All Staff

FROM: Marc Shorr, Chief Information Officer *MS*
Jennifer S. Hopkins, Assistant Chief Information Officer *JSH*

DATE: February 18, 2021

SUBJECT: Google Chrome Vulnerability

The Department of Information Technology (DoIT) is performing work to address the recently disclosed vulnerability in Google Chrome browsers. Most users will not be impacted by our work; however, some users may find browser tabs to be closed after the update.

For county-issued devices & servers with the browser installed, these updates will be performed in the background automatically starting Feb 19th evening and will take less than an hour to complete. No restart is required.

Please ensure that any open Google Chrome window/tab is closed. Additionally, we advise that users make note of any bookmarks in case they need to be restored.

Systems with Google Chrome installed will be updated to version 88.0.4324.182.

Systems Affected:

- iOS, macOS, and Windows Devices running Google Chrome versions prior to 88.0.4324.182

We apologize for any inconvenience this may cause, and we thank you for your understanding. For any additional questions, please reach out to your DoIT support staff or your IT support team.

Thank you for your cooperation.
