Subject: CalSAWS Overview video

Contra Costa County will “go live” with CalSAWS, the new statewide automated welfare system, in October 2022. We have recently produced a [CalSAWS Overview video](#) to explain the move to CalSAWS, the project’s structure, system functionalities, work done so far, changes to come, timeframe and much more.

You can view the 21-minute video at the below link, and we will soon have it available on the Staff Development page. We hope it helps give you a better understanding about what the conversion to CalSAWS means for Contra Costa County and California.
