Subject: Racial equity & healing – EHSD staff contributions to Headlines

To All EHSD Staff:

The recent George Floyd verdict and the events leading up to it have weighed heavily upon all of us, and our department recognizes the importance of expressing and understanding the impact on ourselves and others.

In the May issue of *Headlines*, we plan to devote space for your thoughts and feelings about the trial outcome and racial healing. If you would like to contribute to this collection of thoughts and ideas, please send a few sentences to Headlines@ehsd.cccounty.us no later than **Thursday, April 29th at 5 pm**. Please attach your photo (optional), as we hope to create a collage for the cover page. We will include as many submissions as possible.

Thank you.
