Subject: Contra Costa County Employee Survey

Please take a few minutes to complete the confidential employee survey that County Administrator, Monica Nino, circulated a few weeks ago. With the unprecedented challenges the County has experienced over the past few months, we need your input now more than ever to better design our future ways of working and spaces. The County will use the survey findings to help develop the County's 10-year master plan involving locations and design of County facilities.

This is a valuable opportunity for input and your perspective is crucial to developing recommendations that will support employee needs.

EHSD's response rate is currently 20%. In order to get our response rate closer to 70%, we are now extending the timeline to Friday, November 19th. This will be the final extension.

The survey takes 15 minutes or less to complete, and you can conveniently close and complete it at a later time. Simply click on the link below from the same device and web browser to return to your survey in progress. Do not complete the survey in "private browsing" or "incognito mode" as this will disable the auto-saving functionality.

If you have questions about the survey or encounter technical issues, please contact Ananya Kanaiya at ananya_kanaiya@gensler.com.

Thank you in advance for participating in the survey.
