Administrative Review

Board Composition

According to the agency's bylaws, dated September 11, 2018, the Tripartite Board is composed of 15 members: five from the public sector, five (5) from the private sector, and five (5) from the low-income sector. The board roster dated January 22, 2022 indicates that there are currently two (2) board vacancies in the low-income sector since 6/30/2020 and 3/11/2021.

Desk Review C-21-008 assigned an "Other" designation for board vacancies in accordance with the COVID-19 Board Vacancy policy (see below). There have been board vacancies in the low-income sector since 6/30/2020 and 3/11/2021. The corrective action requirements and resolution will be transferred and tracked under this report C-22-008.

*Due to the impact of COVID-19, CSD acknowledges the increased difficulty experienced by agencies attempting to recruit board /council members during the pandemic, Board vacancies occurring during the period from March 2020 through December 2022, will be documented in this report but no new corrective action designation (Observation or Finding) will be assigned. Agencies will be required to submit updates as detailed in the corrective action section below. Starting with the 2023 monitoring session, CSD will return to the regular board/council vacancy monitoring practices. To the extent possible, CSD encourages agencies to engage in recruitment activities to fill vacancies during this period.

During a review of the agency's bylaws, the Field Representative identified the lack of the requirement for a democratic selection process for Low-Income Board seats as required by the CSBG Act, 42 USC 9910. Section 676B Tripartite Boards (2) Selection and Composition of Board, (B)(i):

"Not fewer than 1/3 of the members are persons chosen in accordance with democratic selection procedures adequate to assure that these members are representative of low-income individuals and families in the neighborhood served"

Contra Costa's bylaws have since been updated and have now incorporated a democratic selection process. The updated bylaws were approved during the Board meeting held on April 14, 2022.

Board Minutes

Contra Costa County Employment & Human Services Department/Community Services Bureau submits approved board minutes to CSD no later than thirty days after the minutes are approved as required in the annual contract agreement (2022 CSBG Contract Agreement Article 4.1.4).

A review of the board minutes from January 13, 2022, February 13, 2022, and March 10, 2022 indicates that a quorum was met for each meeting. The information contained within the board minutes provided the Field Representative with sufficent information to determine the board's involvement in the development, planning, implementation, and evaluation of the program.

Fiscal Review

Advance Payment

The Field Representative was presented documentation that demonstrates the agency does retain the advance payment in an interest-bearing account. (45CFR 75.305 (b)(8))

Expenditure Progress

During the review, the Field Representative met with Contra Costa Representative, Michael Morris, (Accountant III), to discuss the status of all open contracts as follows:

A review of the Expenditure Activity Reporting System (EARS) monthly reports indicated the expenditure reports have not been submitted in a timely manner. Expenditure activity reports were submitted after the due date for the following contract(s):

<u>Please note:</u> CPN-C-22-01 published March 7, 2022, requires all expenditure activity reports be submitted on or before the 25th calendar day following the reporting period. (*CPN-C-22-01, 1.0 CSBG Reimbursement Policies and Procedures, 1.1 Financial Reporting - EARS Invoice Due Date*).

CSBG Contract 21F-4007

A review of EARS reports from January 2021 through February 2022 indicates 66.74% or \$589,177.24 of \$882,798.00 has been expended. According to the most applicable spending trend report, released in December 2021, Contra Costa was within the 15% threshold of their 3 year spending analysis and the agency is on track to fully expend the contract funds by the end of the contract term. According to the agency it is not on track to fully expend the contract funds by the end of the contract term. CSBG Program Manager, Christina Reich, explained that Contra Costa implemented monthly reporting requirements with subcontractors in March 2022, which will ensure timely reporting moving forward. According to Contra Costa's spending plan submitted in March 2022, Programs Staff and Management are working closely with Subrecipients to make sure that funds are spent and billed to the County in a timely manner. Increased requirements from the county's Auditor Controller's Office caused a delay in expenditure submissions for all contracts. Agency has requested a contract extension through 8/31/2022. With the approval of the extension the agency is confident they will expend their entire allocation by the end of the contract term.

Line-Item Expenditure Review

Note: Due to the COVID-19 pandemic and the Program flexibilities afforded by Informational Memorandum IM #154, CSD implemented a modified approach and reduced to the number of expenditure transaction that would normally be reviewed.

The Field Representative sampled 3 expenditure transactions from costs reported in EARS:

Programmatic Review

Program Reports

A review of the most recent CSBG Annual Report Modules 2 – 4 indicate the reports have been submitted timely by the agency in accordance with the annual CSBG Contract Agreement Article 7.3.4.

Program Performance

A review of the agency's most recent CSBG Annual Report Modules 2-4 shows that the agency achieved the following results:

Family Domains (Module 4)	Indicator	Target	Actual
Employment	FNPI 1z. Number of youths who maintained employment for 90 days.	5	5
Housing	FNPI 4a. The number of individuals experiencing homelessness who obtained safe	75	50

temporary	
shelter	

Performance Target Accuracy

FNPI 4a: Agency reported that due to the COVID 19 Pandemic, their County shelter was unable to operate at full capacity. Once the shelter was open, there were social distancing restrictions that reduced the number of occupancies to 1 client per bedroom.

Organizational Standards Review

☐ The agency certified their 2021 Organizational Standards Assessment score is 100%. This score was transferred from the previous score received in 2020 in accordance with Informational Memorandum IM #154 which awarded administrative reliefs due to COVID-19.

Agency was reminded the 2022 Organizational Standards Assessment will be conducted by methodology/procedures which were in place before administrative reliefs were applied due to the ongoing COVID-19 pandemic.

Subcontractor Review

The Field Representative in accordance with the 2022 CSBG Contract, (Article 4, section 4.21.2) conducted an assessment of the contractor requirements, which include verification of the Excluded Parties List System (EPLS), submission of the CSD 163 form, monitoring policy, and procurement. The assessment determined that the agency is not in compliance.

- (1) At the time of this review, Contra Costa could not confirm the EPLS verification was performed for four different subcontractors through SAM.gov: Contra Costa Clubhouse Inc., Greater Richmond Interfaith Program, Loaves and Fishes of Contra Costa, and Opportunity Junction. EPLS certification is a contractual requirement, (ARTICLE 4 ADMINISTRATIVE POLICIES AND PROCEDURES, 4.21.2.2).
- (2) Subcontractor, Bay Area Community Resources, (BACR), purchased Mastercard gift cards to use as a participant incentive for reaching specific milestones within their HEART program. Agency was unable to provide a gift card policy at the time of this monitoring report.
- (3) Bay Area Community Resources was virtually monitored by Contra Costa on 9/14/2021, but a thorough, fiscal evaluation including expenditure testing and follow-up which could be used to ensure their subcontractors are following policy and remaining compliant, was not represented in the report.

Child Support

The Field Representative determined the agency has a written referral policy in place to the local Department of Child Support Services. (Title 42 of the U.S.C. Section 9919 (b).

Site Visits

Due to COVID-19 CSD did not conduct an agency site visit.

Client File Review

Note: Due to the COVID 19 pandemic and the Program flexibilities afforded by Informational Memorandum IM #154, CSD implemented a modified approach and reduced the number of client files that would normally be reviewed.

The Field Representative conducted a client file review of 2 clients who received services as reported in the National Performance Indicators. The review was a sampling of the clients served for Indicators: 1z. Number of youths who maintained employment for 90 days and 4a. The number of individuals experiencing homelessness who obtained safe temporary shelter. The client files contained the applicable documentation to demonstrate the client met the income eligibility for services. The client files contained documentation which verified the outcome reported in the 2021 Annual Report were met for FNPI 4a. however, the client files provided for the outcome reported in FNPI 1z did not contain sufficient documentation to verify the outcome was met.

Safeguard of client files

Due to COVID-19 CSD did not conduct an agency site visit. CSD accepts the 2021 results for Organization Standard 8.13, "The Organization has a written policy in place for record retention and destruction" as sufficient verification for this item.

I Organization Standard 8.13 was "met" for this review period.

CSBG CARES Activities

Two line items were sampled from CARES expenditure submissions to complete this review which satisfied the Quarterly Reconciliation for Quarter 1 of 2022. No issues were discovered.

CSBG CARES Quarterly Fiscal Reviews

Contract Number	Report Period	Section (Program/ Admin)	Line Item	Amount
20F-3646	12/1/21- 12/31/21	Program	Subcontracto r/Consultant Services	\$1728.00
20F-3646	12/1/21- 12/31/21	Program	Operating Expenses	\$22.91

The Field Representative reviewed the general ledger, expanded general ledger, vendor demand form, subcontractor invoices, agency invoices, and verified the documentation supported the transactions sampled from expenditures reported in (EARS).

CSBG CARES Client File Review

Family Domains (Module 4)	Indicator	Target	Actual
FNPI 5. Health and	SRV 5a.		48
Social/Behavioral	Immunizations		
Development	(COVID VACCINE)		

The Field Representative conducted a review for the submission of 48 clients receiving COVID immunizations, represented by SRV 5a. At the time of this review, the agency could not verify that 48 clients received the service. CSD acknowledges

the agency's claims that the COVID vaccine took place, but due to the lack of recording, the individuals who were reported as receiving this service could not be verified.

Exit Conference

Date of Virtual Exit Conference

April 15, 2022

The following persons were present during the Exit Conference:

Amrita Kaur, EHSD CSB Administrative Services Assistant III –CSBG Programs Analyst Christina Reich, EHSD CSB Division Manager – CSBG Programs Manager Mele Tupou, EHSD CSB- CSBG Comprehensive Services Assistant Manager

Michael Morris, EHSD CSB- CSBG Accountant III

Nancy Benavides, EHSD CSB Fiscal Officer

Aaron Alarcon-Bowen, EHSD CSB Executive Director

Kathy Marsh, EHSD Acting Interim Director Jennifer Milovina, CSD Field Representative Patrick Kane, CSD Field Representative

The following items were discussed:

- Highlights of Review
- Monitoring Timeline and Next Steps
- Subcontractor Monitoring
- Gift Card Policies
- Democratic Selection Process

Finding(s)

Finding (1): Subcontractor Review EPLS verification: At the time of this review, Contra Costa did not provide documentation that the following four subcontractors were not on the EPLS restricted list: (1) Contra Costa Clubhouse Inc. (2) Greater Richmond Interfaith Program (3) Loaves and Fishes of Contra Costa, and (4) Opportunity Junction. ARTICLE 4 – ADMINISTRATIVE POLICIES AND PROCEDURES, 4.21.2.2

Corrective Action:

During the modified monitoring review period, Contra Costa acquired EPLS verification for 3 of the 4 subcontractors on 4/14/2022. Contra Costa will conduct EPLS verification and submit a CSD 163 containing updated EPLS information for the remaining subcontractor, Loaves and Fishes.

Response/Resolution Due Date:

Contra Costa will submit a revised CSD 163 to the Field Representative no later than 6/30/2022 that will include ELPS verification for Loaves and Fishes of Contra Costa. In addition, Contra Costa will review CSD 163 filing requirements with staff to ensure this requirement is met during the next contracting cycle.

Finding (2):

Contra Costa did not verify Subcontractor's Gift Card policy and controls:

Subcontractor, Bay Area Community Resources (BACR), purchased Mastercard gift cards to use as an incentive for reaching specific milestones within the HEART, (Healing, Educating And Reducing Trauma), program. At the time of this review, a policy regarding the purchase, use and tracking of gift cards was not in place, nor was this identified during the virtual monitoring conducted by Contra Costa of BACR on 9/14/2021. Contra Costa County does allow subcontractors to utilize gift cards when the grantor allows it.

Corrective Action:

- (1) Contra Costa will revise its subcontractor management policy to include a process for thorough fiscal evaluations, including expenditure testing and follow-up, to ensure their subcontractors are following policy and remaining compliant. CSD will provide examples of subcontractor monitoring policies, with emphasis on fiscal reviews, in order to help facilitate the development of a stronger policy for Contra Costa.
- (2) Contra Costa will establish a policy for the purchase and distribution of gift cards for subcontractors. Subcontractors must establish internal controls in the form of written policies and procedures that, at a minimum: a. Ensure the security of the items; b. Address appropriate distribution to clients: and c. Create a line item in the budget specific to these costs.

Response/Resolution Due Date:

- (1) Contra Costa will submit a revised subcontractor monitoring policy to CSD no later than 6/30/2022. Additionally, during the next CSBG monitoring, (Desk Review in 2023), Contra Costa will submit the Monitoring Evaluation/report for 2022 for Bay Area Community Resources (BACR) along with supporting documentation to show they have an established monitoring procedure including fiscal lifecycle testing.
- (2) Agency will submit a revised gift card policy to use for their subcontractors when the subcontractor is approved to purchase gift cards through their contract with Contra Costa County. A revised gift card policy is due to CSD no later than 6/30/2022.

Observation(s)

Observation(s):

Contra Costa could not provide adequate documentation to support the entry of 48 individuals receiving the SRV 5a. Immunizations (COVID VACCINE)

Corrective Action:

- (1) Agency will remove the actual results for SRV 5a.
- (2) Agency will provide training for employees regarding how to maintain supporting documentation and accurately report outcomes and services achieved by participants.

Response/Resolution Due Date:

Agency will provide a date the outcome and reporting training will occur by June 30, 2022. Any applicable training should be completed before February 2023 to ensure compliance with the submission of the Annual Report and CARES Supplemental Report which represents services and outcomes achieved during the 2022 program year. Additionally, verification of completion for this corrective action will be determined by sampling 2 services during the Desk Review process in 2023.

Other: Board Vacancies:

The board roster dated January 22, 2022, indicates there are currently two board vacancies in the low-income sector since 6/30/2020 and 3/11/2021. Due to the impact of COVID-19, CSD acknowledges the increased difficulty experienced by agencies attempting to recruit board /council members during the pandemic. Board vacancies occurring during the period from March 2020 through December 2022 will be documented in this report, but no new corrective action designation (Observation or Finding) will be assigned.

Response/Resolution Due Date:

Contra Costa will continue to provide updates detailing the recruitment efforts to fill Board vacancies. To ensure the importance of this activity, Contra Costa County's board minutes should reflect board activities to fill the vacant board seats. The next updates are due to CSD by the following dates:

- 6/30/2022
- 12/31/2022

<u>Please note:</u> New board members are required to complete orientation within six months of being seated per Organizational Standard Category 5 (Vision and Direction) Standard 5.7

Technical Training Assistance(s)

Recommendation(s):

This year, CSD ended the administrative relief related to agency Organizational Standards compliance which was in effect for 2020 and 2021. As a result, all agencies are required to submit updated Organizational Standards documentation in eGov by August 31, 2022. To ensure agency staff is in the strongest position to effectively complete the Organizational Standards process, CSD recommends relevant agency staff attend the upcoming Organizational Standards training hosted by CalCAPA

CSD may request additional information related to meeting/resolving Findings addressed in this report.

Unresolved Findings may result in additional monitoring or a High-Risk designation.
