You are invited to explore the brand new [COVID 411 Intranet Page](#), your one-stop shop to learn and reference pertinent COVID-19 information. This page was developed to provide our employees and supervisors with up-to-date COVID-related resources in one central location. Our goal is to provide you with the current tools and resources available in assessing your individual circumstances as it relates to COVID.

COVID links to County Health Services, Risk Management and Human Resources are included. Current mandates, County recommendations and Prevention Strategies during an Outbreak sections are excerpts from the County COVID Prevention Program (CPP). This page will be updated as new information becomes available.
