OPR/CONTROL #06

DATE: January 06, 2021
TO: Code 2A, All Staff
FROM: administration
SUBJECT: Phishing Alert - Reminder to be cautious

We are seeing a flurry of messages inviting users to meetings and providing a link within the email. Remember to be cautious. Hover your mouse over any link before clicking on it. A tell-take giveaway is that the URL shown is different from what's displayed.

Thank you -
