ΤΟΡΙϹ	RECOMMENDATION / SUMMARY							
	Director's report							
	<ul> <li>Introduction: My name is Sung Kim and I have been appointed as the Interim Director for the Community Services Bureau. I have been with the county for 20 years, but I have not been in a capacity where I have worked with the Policy Council, so I am excited for this new opportunity in my journey with CSB. I welcome your suggestions and I am grateful to be here.</li> <li>Federal Review – July 25 – 29: We were reviewed on Governance, Fiscal, Ongoing Monitoring and Reporting by a team of 5 reviewers. At the end of the week, they said they received every document they asked for and we put our best effort forward. I'm proud of the team and look forward to hearing the outcome in 2-3 months.</li> <li>Designation Renewal System: CSB must compete for its next five-year grant and our grant application for that will be due in early November. Plans are underway to demonstrate that our program is the right program to run Head Start in Contra Costa County. We will be bringing the application to you for your approval in your October meeting.</li> <li>2023 Self-Assessment – August 20 – September 1: Every year we assess our program and we invite you, our parents and community, to help us evaluate our systems and services. If you have not signed up to be on the Self-Assessment, please let Ana know that you are interested. We need your participation.</li> <li>Many Thanks: As we end our program year, and say goodbye to some of you, I want to take this opportunity to thank each one of you for the hard work you are doing on behalf of Head Start and your families. We simply cannot do what we do without you. Good luck in your future endeavors!</li> </ul>

#### Interim Director's Report to the Policy Council – September 2023

Welcome New and Returning Policy Council Members: I want to extend a warm welcome to you all – both new and returning Policy Council members. I hope you all enjoyed your orientation last week and learned a lot.

**Safety is our TOP priority:** If you see something, say something! Have you heard that saying? Please make sure that you notify staff if you see any safety concerns and help us to remind our parents to keep safety in the forefront of everything we do.

**Quality Improvement Plan Report:** We are anxiously awaiting the result of our Federal Review in July, which will tell us whether we cleared our deficiencies as corrected in our Quality Improvement Plan. We hope to hear something in October or early November and will let you know right away. For the new people, our corrections were in the areas of fiscal operations, ongoing monitoring, governance, and reporting.

**Competitive Grant Application:** Staff are working with grant writers to develop a winning grant application for the next five years for our Head Start program. At the time of the writing of this report, we were still waiting for the funding opportunity to be published. You will hear more about this in our meeting tonight. We need your input.

Attendance Matters: As we begin a new program year, it is very important to bring your child to school every day, except when they are sick. Our program is a school readiness program – everything we teach your child is with the goal of succeeding throughout their time in school. These foundational years are so important. You are leaders, elected by the parents at your site, and we look to you to share this message.

**Hiring and Enrollment:** As leaders, you play an important role here at CSB and in your communities. We are hiring teachers and enrolling children and the single best form of recruitment is word of mouth! Please help us by spreading the word!

Thank you!
