SECTION 3: REQUEST FOR PROPOSALS INTRODUCTION

3.1 Solicitation

The purpose of this Request for Proposals (RFP) is to identify and fund one (1) agency that has interest, experience and expertise in completing the Child and Adolescent Needs and Strengths (CANS) Assessment tool to perform CANS assessments for children/families involved with Contra Costa County child welfare in accordance with the Continuum of Care Reform (CCR) and the Integrated Core Practice Model.

In accordance with the Continuum of Care Reform and the Integrated Core Practice Model, Child and Adolescent Needs and Strengths (CANS) was chosen by the California Department of Social Services (CDSS) as the functional assessment tool developed to support decision-making, including level of care and service planning, and monitor the outcomes of services.

This RFP includes a schedule for proposal procedures and deadlines, describes the services required, provides instructions and forms for the preparation and submittal of the proposal, outlines the review process, and contains administrative and program information useful to prospective bidders.

3.2 Qualified Bidders

Eligible Bidders are agencies that on their own have adequate controls and personnel to provide timely comprehensive CANS assessment services as defined in Section 4. Qualified bidders must demonstrate capacity for collaboration, interagency coordination and attest to their qualifications on Form #2, Statement of Qualifications (see Section 9. REQUIRED FORMS).

EHSD anticipates awarding a maximum of one (1) eighteen (18) month contract to one (1) selected agency. The combined total award will not exceed \$1,300,000, to fund CANS assessment services requested under this RFP. The initial anticipated contract period is from January 1, 2026 through June 30, 2027.

The contract resulting from this RFP may potentially be renewable for two (2) additional years at the discretion of EHSD. The renewals are dependent upon the availability of funds at the time the agreement goes into effect, achievement of outcomes during the current contract period, and service needs.

Funding consists of State General funds and State 2011 Realignment funds. EHSD will administer these funds.

Contra Costa County
Children and Family Services **REQUEST FOR PROPOSALS (RFP) 1229**
Child and Adolescent Needs and Strengths Assessments

SECTION 4: PROGRAM DESCRIPTION

4.1 General

In accordance with the Continuum of Care Reform and the Integrated Core Practice Model, Child and Adolescent Needs and Strengths (CANS) was chosen by the California Department of Social Services (CDSS) as the functional assessment tool developed with the goal of assessing well-being, identifying a range of social and behavioral healthcare needs, supporting care coordination and collaborative decision-making, and monitoring outcomes of individuals, providers, and systems.

The CANS is a flexible and evolving tool that supports open discussion and collaborative decision-making for placements, including levels of care, and case planning services, by focusing on the strengths and needs of the child/youth/non-minor dependent. Moreover, as a communications tool, the CANS helps the Child and Family Team (CFT) prioritize action steps through team-based decision-making. The use of engagement and consensus-building among members of the CFT involved in a discussion about the CANS assessment results in a family-centered process that prioritizes the well-being of the child/youth/non-minor dependent and their family. CANS ratings scores as determined by the completed assessment ensure children/youth/non-minor dependents receive necessary support and care based on identified actionable items, rather than their foster care placement setting type.

In 2025, the CDSS and Department of Health Care Services (DHCS) instructed child welfare agencies that the California Integrated Practice-CANS (IP-CANS) version of the tool must be administered in lieu of any other version of the tool. The IP-CANS includes an Early Childhood Module section that must be completed for children under the age of six, as well as for youth of any age who are experiencing developmental challenges.

In order to monitor outcomes and support care coordination of other areas that have been identified as a prevalent safety concern across the county (i.e. commercial sexual exploitation of children and youth), Contra Costa County holds the right to add additional CANS modules as appropriate (while maintaining the fidelity of the IP-CANS tool and not modifying the IP-CANS forms).

The IP-CANS focuses on seven primary domains:

- Behavioral/Emotional Needs
- Life Functioning
- Risk Behaviors
- Cultural Factors
- Strengths Domain
- Caregiver Resources and Needs
- Potentially Traumatic/Adverse Childhood Experiences

Contra Costa County
Children and Family Services **REQUEST FOR PROPOSALS (RFP) 1229**
Child and Adolescent Needs and Strengths Assessments

Per CDSS All County Letter No. 21-27 (ACL 21-27) individuals completing the CANS must be currently certified by the Praed Foundation to administer the CANS. Recertification on the CANS occurs annually on the Praed Foundation's Collaborative Training Platform. To recertify, previously certified CANS users must take and pass a final CANS test vignette at .70 or higher. The Praed Foundation, along with CDSS, requires those administering the CANS to be certified. Please note, if a user's certification lapses, they should not continue to complete the CANS until successful recertification occurs.

4.2 Purpose and Scope of Work

The purpose of this RFP is to solicit an agency to complete regular CANS assessments and updates in accordance with the standard CANS timeframes for Contra Costa County child welfare involved children/families. Completion of the IP-CANS assessment requires effective engagement using a teaming approach. The CANS must be informed by CFT members, including the youth/non-minor dependent and family in order for the information to be used effectively when developing the case plan.

The CANS may function as the required mental health screen for children, youth, and non-minor dependents (NMDs). A rating of "1," "2," or "3" on any one of the items in the Child Behavioral/Emotional Needs domain requires a referral to the Mental Health Provider (MHP) for a full, clinical mental health assessment. CANS Assessors will complete Mental Health Referrals as appropriate in coordination with the assigned CFS Social Worker and Mental Health Liaison.

Essential functions of the awarded agency will include:

- A. Ensure that a current CANS assessment is completed and recorded for all CFS dependents. This may include initial or updated CANS for previous entries into care.
 1. The average number of CFS open cases per month in Fiscal Year 24-25 requiring a CANS was seven hundred thirty-two (732) and approximately twenty-five (25) to thirty (30) new cases are opened each month.
 2. EHSD CFS anticipates needing about 1400 CANS assessments per year.
 3. CFS dependents may reside in placements located out-of-county.

- B. In person assessment and completion of CANS for all youth entering care shall be completed within thirty (30) days of the referral. Subsequent CANS assessments are required no less than every six (6) months thereafter, or within thirty (30) days of the child/youth/non-minor dependent experiencing a triggering condition as identified by CDSS in ACL 25-10. The triggering conditions are:

Contra Costa County
Children and Family Services REQUEST FOR PROPOSALS (RFP) 1229
Child and Adolescent Needs and Strengths Assessments

1. Youth's open child welfare case or open probation placement case
 2. Youth's entry into foster care.
 3. Youth's case closure
 4. Youth referred for placement in a Short-Term Residential Therapeutic Program (STRTP) and an assessment by a Qualified Individual (QI)
 5. Youth placed in an STRTP or receiving certain SMHS – review for update simultaneous with CFT meeting required every 90 days
 6. Placement Preservation CFT meeting or 14-day Notice received for youth
 7. Youth placement change
 8. Youth hospitalization (psychiatric or medical).
 9. Youth incarcerated.
 10. Youth deemed eligible for Regional Center services.
 11. Youth newly eligible for special education services or significant change in the youth's existing Individualized Education Plan.
 12. Youth deemed eligible for California Children's Services due to an acute or chronic health condition.
- C. CANS assessments are to be completed by interviewing the child/youth/non-minor dependent, the child's birth parents, and trusted family members. An interview with a temporary caregiver should not take the place of the birth parent(s) when completing the assessment. Assessments should be completed at times convenient to the families, which may include evenings and weekends. Contact methods (phone, in person, or virtual) should be at the preference of the family.
- D. There may be instances where virtual completion of CANS is appropriate, however, this is more likely for reassessments.
1. There is a 4-month window for when the 6-month CANS reassessment needs to be done; the CANS reassessment can be completed anytime between four (4) and eight (8) months from the date of the last CANS. This does not apply to circumstances in which there is a triggering condition.
- E. Regular, timely communication and correspondence with caregivers, youth, families, and CFS Staff.
1. Communication between the assigned Social Worker (SW) and the CANS assessor is crucial to ensure that families' strengths and needs are accurately reported.
- F. During the contract term, vendors may be required to utilize an approved data entry platform such as Salesforce, Child Welfare System/Child Management System (CWS/CMS), Child Welfare System – California Automated Response and Engagement System (CWS-CARES), and/or CARES-Live as required by CDSS. In absence of access to a CDSS approved platform for entry, Vendor must ensure they have an internal database/reporting system to enter and ensure proper tracking of

Contra Costa County
Children and Family Services **REQUEST FOR PROPOSALS (RFP) 1229**
Child and Adolescent Needs and Strengths Assessments

the CANS. Vendor will need to ensure all completed assessments are sent electronically to the CFS county program administrator and the assigned SW.

- G. Record completed CANS assessments via monthly reports to CFS.
- H. Attend CFT meetings in-person to support the review and discussion of the most recently completed CANS assessment in collaboration with other members of the child/youth/non-minor dependent's CFT.
 - 1. If in-person CFT attendance is not possible, it would be the responsibility of the CANS assessor to connect with the SW and CFT facilitator prior to the CFT to ensure the needs of the child are highlighted and appropriate services are discussed and put in place.
- I. Travel within and out of Contra Costa County as needed to complete in person CANS assessments for youth placed out of county.
- J. Maintain weekly office hours in the CFS District Offices two (2) times per week.

Successful applicants will have assessors who are able to effectively assess families for strengths and needs, have difficult conversations with various individuals to obtain the information needed to complete the assessments, and work with the CFS Department to minimize impact and stress of assessment processes.

Successful applicants may need to collaborate with our Behavioral Health department colleagues to ensure that CANS assessments have been completed for all required children and that the necessary services are in place.

SECTION 6: EVALUATION PROCESS AND CONTRACT AWARD

6.1 Evaluation Process

Each proposal is subject to a three (3) stage evaluation process to determine responsiveness to the RFP requirements: Compliance Review, Fiscal Review, and Bureau Committee Review. Proposals will be stored in a designated secure location to insure confidentiality. No proposals will be opened until after the submission deadline identified in the RFP.

6.2 Compliance Review

Compliance Review is a Pass/Fail evaluation.

EHSD Contracts Unit Staff will review submitted proposals for completeness and technical compliance with the terms and conditions of the RFP. All proposals should adhere to the required format and, in order to be competitive, should include all of the requested information, all sections awarding points, completed forms, and attachments. Proposals that do not follow the Required Proposal Format found in Section 5 will be determined nonresponsive and will not be considered for contract award/funding.

Minor irregularities in submissions may be waived. All proposals deemed responsive will be referred to EHSD Fiscal staff.

6.3 Fiscal Review

Proposals that pass the Compliance Review, as referenced above, will be submitted for review by EHSD Fiscal Staff. Proposals must receive a fiscal review evaluation score of at least **seventy percent (70%)** of the total available 100 points, if not; it will be eliminated from further review.

Points will be awarded based on the agency's demonstration of:

- Agency solvency;
- Adequate agency accounting systems and internal controls;
- Ability to administer financial system(s); and
- Compliance with budget specifications.

EHSD Fiscal will review the required audit or audited financial statement included with each proposal. The audit or audited financial statement must be the most recent and

6.4 Bureau Committee Review

RFP Proposals that successfully complete the Compliance Review and the Fiscal Review (referenced above) will be submitted for Bureau Committee Review. The RFP Bureau Committee will review all proposals then evaluate and score all service and budget elements per the Scoring Methodology/Rating Sheet and program service delivery requirements included in this RFP.

EHSD and the RFP Bureau Review Committee may make on-site visits and use other information available before making final recommendations.

The Bureau Review Committee may be comprised of Employment and Human Services Department Staff, community-based organizations staff, private for-profit corporation staff and/or public sector representatives. Members of the Bureau Review Committee will be required to sign an impartiality statement.

Disclosure will not automatically disqualify the Bidder; however, EHSD reserves the right to evaluate

8. **Modifications and Amendments**.
 - a. **General Amendments**. In the event that the total Payment Limit of this Contract is less than \$200,000 and this Contract was executed by the County's Purchasing Agent, this Contract may be modified or amended by a written document executed by Contractor and the County's Purchasing Agent or the Contra Costa County Board of Supervisors, subject to any required state or federal approval. In the event that the total Payment Limit of this Contract exceeds \$200,000 or this Contract was initially approved by the Board of Supervisors, this Contract may be modified or amended only by a written document executed by Contractor and the Contra Costa County Board of Supervisors or, after Board approval, by its designee, subject to any required state or federal approval.
 - b. **Minor Amendments**. The Payment Provisions and the Service Plan may be amended by a written administrative amendment executed by Contractor and the County Administrator (or designee), subject to any required state or federal approval, provided that such administrative amendment may not increase the Payment Limit of this Contract or reduce the services Contractor is obligated to provide pursuant to this Contract.
9. **Disputes**. Disagreements between County and Contractor concerning the meaning, requirements, or performance of this Contract shall be subject to final written determination by the head of the county department for which this Contract is made, or his designee, or in accordance with the applicable procedures (if any) required by the state or federal government.

10. **Choice of Law and Personal Jurisdiction.**

- a. This Contract is made in Contra Costa County and is governed by, and must be construed in accordance with, the laws of the State of California.
- b. Any action relating to this Contract must be instituted and prosecuted in the courts of Contra Costa County, State of California.

11. **Conformance with Federal and State Regulations and Laws.** Should federal or state regulations or laws touching upon the subject of this Contract be adopted or revised during the term hereof, this Contract will be deemed amended to assure conformance with such federal or state requirements.

12. **No Waiver by County.** Subject to Paragraph 9. (Disputes) of these General Conditions, inspections or approvals, or statements by any officer, agent or employee of County indicating Contractor's performance or any part thereof complies with the requirements of this Contract, or acceptance of the whole or any part of said performance, or payments therefor, or any combination of these acts, do not relieve Contractor's obligation to fulfill this Contract as prescribed; nor is the County thereby prevented from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.

13. **Subcontract and Assignment.** This Contract binds the heirs, successors, assigns and representatives of Contractor. Prior written consent of the County Administrator or his designee, subject to any required state or federal approval, is required before the Contractor may enter into subcontracts for any work contemplated under this Contract, or before the Contractor may assign this Contract or monies due or to become due, by operation of law or otherwise.

14. **Independent Contractor Status.** The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. This Contract is not to be construed to create the relationship between the parties, or between County and any Contractor employee, of agent, servant, employee, partnership, joint venture, or association. Neither Contractor, nor any of its employees, is a County employee. This Contract does not give Contractor, or any of its employees, any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits County provides to its employees. In the event that County exercises its right to terminate this Contract, Contractor expressly

agrees that it will have no recourse or right of appeal under any rules, regulations, ordinances, or laws applicable to employees.

15. **Conflicts of Interest**. Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Contract, no person having any such interests will be employed by Contractor. If requested to do so by County, Contractor will complete a "Statement of Economic Interest" form and file it with County and will require any other person doing work under this Contract to complete a "Statement of Economic Interest" form and file it with County. Contractor covenants that Contractor, its employees and officials, are not now employed by County and have not been so employed by County within twelve months immediately preceding this Contract; or, if so employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. In addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold the County harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.
16. **Confidentiality**. To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.
17. **Nondiscriminatory Services**. Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.

18. **Indemnification**. Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by County, Contractor will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.
19. **Insurance**. During the entire term of this Contract and any extension or modification thereof, Contractor shall keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:
- a. **Commercial General Liability Insurance**. For all contracts where the total payment limit of the contract is \$500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all services performed by Contractor under this Contract. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide County with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than \$500,000, the aforementioned insurance coverage to be provided by Contractor must have a minimum combined single limit coverage of \$1,000,000.

- b. **Workers' Compensation.** Contractor must provide workers' compensation insurance coverage for its employees.
 - c. **Certificate of Insurance.** The Contractor must provide County with (a) certificate(s) of insurance evidencing liability and worker's compensation insurance as required herein no later than the effective date of this Contract. If Contractor should renew the insurance policy(ies) or acquire either a new insurance policy(ies) or amend the coverage afforded through an endorsement to the policy at any time during the term of this Contract, then Contractor must provide (a) current certificate(s) of insurance.
 - d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide Department a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide Department the notice as required by the preceding sentence is a default under this Contract.
20. **Notices.** All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid. Notices to County must be addressed to the head of the county department for which this Contract is made. Notices to Contractor must be addressed to the Contractor's address designated herein. The effective date of notice is the date of deposit in the mails or of other delivery, except that the effective date of notice to County is the date of receipt by the head of the county department for which this Contract is made.
21. **Primacy of General Conditions.** In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.
22. **Nonrenewal.** Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by County under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.
23. **Possessory Interest.** If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code

Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice requirements of Revenue & Taxation Code Section 107.6, and waives all rights to further notice or to damages under that or any comparable statute.

24. **No Third-Party Beneficiaries.** Nothing in this Contract may be construed to create, and the parties do not intend to create, any rights in third parties.
25. **Copyrights, Rights in Data, and Works Made for Hire.** Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of the County Administrator. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to Agency all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Agreement, without County's prior express written consent. If any of the works made for hire is subject to copyright protection, County reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, County reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.
26. **Endorsements.** In its capacity as a contractor with Contra Costa County, Contractor will not publicly endorse or oppose the use of any particular brand name or commercial product without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not publicly attribute qualities or lack of qualities to a particular brand name or commercial product in the absence of a well-established and widely accepted scientific basis for such claims or without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of Contra Costa County. Notwithstanding the foregoing,

Contractor may express its views on products to other contractors, the Board of Supervisors, County officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.

27. Required Audit.

- a. If Contractor expends \$750,000 or more in federal grant funds in any fiscal year from any source, Contractor must provide to County, at Contractor's expense, an audit conforming to the requirements set forth in the most current version of Code of Federal Regulations, Title 2, Part 200, Subpart F.
- b. If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, but the grant imposes specific audit requirements, Contractor must provide County with an audit conforming to those requirements.
- c. If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, Contractor is exempt from federal audit requirements for that year except as required by Code of Federal Regulations, Title 2, Part 200, Subpart F. Contractor shall make its records available for, and an audit may be required by, appropriate officials of the federal awarding agency, the General Accounting Office, the pass-through entity and/or the County. If an audit is required, Contractor must provide County with the audit.
- d. With respect to the audits specified in sections (a), (b) and (c) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. County may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is greater, or the final payment, from Contractor until County receives the audit from Contractor.

28. Authorization. Contractor, or the representative(s) signing this Contract on behalf of Contractor, represents and warrants that it has full power and authority to enter into this Contract and to perform the obligations set forth herein.

29. No Implied Waiver. The waiver by County of any breach of any term or provision of this Contract will not be deemed to be a waiver of such term or provision or of any subsequent breach of the same or any other term or provision contained herein.
